PHD ANNUAL AWARDS FOR EXCELLENCE 2015

AWARD FOR EXCELLENCE IN SKILL DEVELOPMENT 2015

Presented to

Public Health Foundation of India

CITATION

Public Health Foundation of India was set up in 2006 with a vision to strengthen India's public health institutional and systems capability and provide knowledge to achieve better health outcomes for all.

PHFI recognizes the fact that meeting the shortfall of health professionals is imperative to a sustained and holistic response to the public health concerns in the country which in turn requires health care to be addressed not only from the scientific perspective of what works, but also from the social perspective of, who needs it the most.

They have trained 2431 PCPs (Primary Care Physicians), under the CCEBDM (Certificate Course in Evidence Based Diabetes Management) which is recognized by IDF (International Diabetes Federation), 928 PCPs trained in CCGDM which is recognised by IDF and also accredited by SAFES (South Asian Federation of Endocrine Societies) which represents endocrine societies of 5 countries such as South Asian regions such as India, Sri Lanka, Bangladesh, Nepal and Pakistan for a period of 2014 -16. They have trained 846 PCPs in ACMDC (Advanced Certificate Course in Prevention and Management of Diseases and Cardiovascular Disease).

They have trained 746 PCPs in CCMTD (Certificate Course in Management of Thyroid Disorders) program.
