

Dear CCEBDM Participants,

Greetings from Public Health Foundation of India!

We are glad to inform you about the 44th Annual Conference of Research Society for the study of Diabetes in India, RSSDI 2016, a forthcoming conference, is to be held in Hyderabad, Telangana state.

Venue: - Hyderabad International Convention Centre, Hyderabad, Telangana.

Date: 18th – 20th November 2016

It gives us immense pleasure to announce that the Organising Committee of RSSDI 2016 has offered registration on PG delegate rates for PHFI candidates (those who did PHFI courses or are currently enrolled)

This opportunity has been provided by Dr. R K Sahay, our esteemed Regional faculty, who is the Organizing Secretary of this conference. We are extremely indebted to him.

The scientific program will be designed to update the knowledge on various aspects of Diabetes. The spectrum of sessions will not only include plenary sessions, guest lectures and symposia ,but also workshops designed to provide hands on training sessions on several important practical areas of diabetes management.

It will be a good platform for students and researchers to present their research work and interact with renowned faculty.

The Public Health Foundation of India (PHFI) will be putting up a stall in RSSDI 2016, please visit the same to get the brief about of our upcoming courses.

Kindly note that the former CCEBDM Candidates need to provide the Course Certificate to avail the special registration rate and currently enrolled candidates should mention details about the regional training centre, Name of regional faculty on the registration form to avail the special rates.

More details about the event can be accessed on <http://www.rssdi2016.com/Registration.php>

Brochure of the conference can be downloaded from:
<http://ccebdm.org/dw/Cycle%204/RSSDI-2016-brochure.pdf>

Kindly apply directly to the Conference secretariat for registration or any other query.

Warm Regards,
CCEBDM Secretariat
Public Health Foundation of India
